Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR §1.97(b)

Applicants hereby submit copies of patents, publications and/or other information of which they are aware and which may be related to the examination of this application, and in respect of which there may be a duty to disclose under 37 CFR § 1.56 and §§ 1.97 - 1.98 as supplemented by MPEP § 609. A list of all enclosed documents is provided in a Form PTO-1449, transmitted herewith. Due to the volume of documents listed, the documents are being submitted under separate cover in five boxes. Presentation of documents listed on enclosed Form PTO-1449 is not an admission that any listed document is prior art under the Patent Statutes and the right is reserved to antedate any

material described in the listed documents by a showing under 37 C.F.R. § 1.131 or otherwise.

Certain documents provided herewith and listed on attached Form PTO-1449 are in a language other than English. Applicant is not in possession of an English language translation of any of these.

Documents B37, B38, B43, B44, B61, B79, B80, B96, B105 and B106 have an English language abstract that summarizes their content. Pertinence of each of these documents to the present application can be inferred from the abstract as well as from the context in which the document is cited in the present specification.

Documents B3-B7 and B18-B24 have no English language abstract. However, pertinence of each of these documents can be inferred from the context in which it is cited in the present specification.

For the Examiner's convenience, the following table identifies the page and line numbers of the specification where each of the above documents is cited.

This information disclosure statement is being filed within three months of the filing date of the above-cited patent application or prior to the mailing of a first Office action on the merits, in accordance with 37 CFR § 1.97(b). Accordingly, Applicants respectfully request that the statement be considered by the Office in the course of prosecution of the application. No fee is believed payable; however, if it is determined that a fee is payable, please charge Deposit Account No. 19-1025.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR §1.97(g)), an admission that the information cited is or is considered to be material to patentability, or that no other material information exists.

Respectfully submitted,
